

8.04.020 Sanitary regulation of premises used for food storage

8.04.020 – Sanitary regulation of premises used for food storage

All premises used in the sale or storage of food intended for human consumption shall be kept in a clean and sanitary condition. It is unlawful to permit any person who is afflicted with a contagious disease to handle any food or drink intended for human consumption. Premises shall be kept free from flies and vermin of all kinds.

(Prior code : § 19.502)
